

Division of Medical Sciences

1946-1973

Part 1

This collection contains the records of the activities of the Division of Medical Sciences for the years 1946-1973. The collection spans approximately 50 linear feet. Please note that the following listing is only an index of the activities and units represented in this records group. Due to the volume of this collection, the finding aid is in two parts.

ADMINISTRATION

EXECUTIVE BOARD

- Chemical-Biological Coordination Center: 1949-1950

INSTITUTIONS – ASSOCIATIONS & INDIVIDUALS

- American Medical Association
 - Commission on Emergency Medical Services
 - Conference on Categorization of Emergency Hospital Capabilities: 1971
- Commission on Plasma Fractionation & Related Processes
 - Meetings: Minutes & Reports: 1950-1952
- Conference on Research Needs in Tropical Medicine
 - Fourth: Proceedings: Apr 1960
- Federation of American Societies for Experimental Biology
 - Symposium on Problems in Toxicology: 1960
- Given Foundation
 - Scientific Advisory Committee
 - Meetings: 1961
 - Survey on Given Foundation Endowed Professorships: 1961
 - General: 1961
- James Picker Foundation
 - Awards: Grants & Fellowships in Radiological Research
 - History & Description: 1962
- National Society for Crippled Children & Adults
 - Easter Seal Research Foundation: Proposed
 - NRC Cooperation: Proposed: 1954-1956
- New York Academy of Medicine: 1962-1963
- North American Association of Alcoholism Programs: 1959-1961
- Protein Foundation Inc
 - Committee on Serum Gamma Globulin: Advisory: 1964
- Research Council on Problems of Alcohol: 1940-1947, 1949
- Symposium on Development of Model System for Emergency Medical Services in Metropolitan Area: National
 - Joint with Delaware Valley Council et al: 1971

- U of Pennsylvania
 - Germ-free Research Project: Steering Committee
 - Joint with Walter Reed Army Institute of Research: 1953-1957

INTERNATIONAL RELATIONS

- Academies & Councils Abroad
 - Swedish Medical Research Council: Fellowship Program
 - US Participation: NRC Administration: Proposed: 1962-1963
- Institutions Associations Abroad
 - Icelandic Medical Association: Medical Center
 - NRC Support: Proposed: 1962
- International Congresses
 - International Conference on Sarcoidosis: 1958-1961
 - London: 1958

NATIONAL ACADEMY OF SCIENCE (NAS)

- Conference on Consolidated Communication Systems for Nebraska: 1967

DIVISIONS OF THE NRC

BIOLOGY & AGRICULTURE

- Food & Nutrition Board: 1952-1954

ENGINEERING & INDUSTRIAL RESEARCH

- Materials Advisory Board
 - Panel on Toxicity of Beryllium: 1957-1958

INTERNATIONAL RELATIONS

- International Congresses
 - International Audiology Conference: 1948-1949

MATHEMATICS

- Committee to Review Division of Medical Sciences Report on Uses of Computers in Biology & Medicine: 1960-1961

MEDICAL SCIENCES

- Armed Forces-NRC Committee on Bioastronautics
 - Activities: Reports: 1960
 - Bio-Astronotes: Newsletter: Nos 1-3: 1959-1960
 - Committee on Vestibular Studies - Ad Hoc

- Site Visits: US Naval Aviation Medical Center - Pensacola Florida: Report: 1960
- Conference
 - Panel Recommendations: 1959
 - Sessions: 1959
 - Critique & Presentation of Panel Recommendations
