

## International Geophysical Year Records Group

Series 7: IGY Termination & Follow-on. Series contains records documenting final phases of IGY, including programs and activities proposed in continuation of IGY work. Included in series are records documenting beginning of NAS Geophysics Research Board and International Geophysical Cooperation-59 (IGC-59).

### 7. IGY TERMINATION & FOLLOW-ON

IGC-59 & IGY Termination: General Correspondence: 1957-1959

IGC-59 & IGY Termination: General Correspondence: Feb-Mar 1959

IGC-59 & IGY Termination: General Correspondence: Apr-Dec 1959

IGC-59 & IGY Termination: General Correspondence: 1960

IGC-59 & IGY Termination: National Science Foundation (NSF): 1958-1959

IGC-59 Proposals: 1958-1959

US IGY Interdisciplinary Research Committee: 1957-1959

International Council of Scientific Unions (ICSU): 1961

International Council of Scientific Unions (ICSU): 1960

International Council of Scientific Unions (ICSU): 1959

International Council of Scientific Unions (ICSU): 1958

International Council of Scientific Unions (ICSU): Reprints & Reports: 1955-1958

International Council of Scientific Unions (ICSU): Special Committee on Antarctic Research (SCAR): 1957-1959

International Geophysical Cooperation 59 (IGC-59): 1955-1959

Ad hoc World Data Center-A (WDC-A) Review Committee: 1959-1960

World Data Center-A (WDC-A): Rockets & Satellites: 1958-1960

World Data Center-A (WDC-A): General Correspondence: 1957-1960

World Data Center-A (WDC-A): General Correspondence: 1961

American Geophysical Union (AGU) Committee on AGU-IGY Relationships: 1955-1960

Oceanographic Data: WDC Subcenters National Oceanographic Data Center: 1960-1962

Geophysical Research Board: Panel on International Exchange of Geophysical Data: 1961

Geophysical Research Board: Panel on Solid Earth: 1959-1961

Geophysical Research Board: Panel on Solid Earth: Working Group #1: 1961

Geophysical Research Board: Panel on Solid Earth: Working Group #2: 1961

Geophysical Research Board: Panel on International Quiet Sun Year (IQSY): 1960-1962

CIG (Comite International de Geophysique): Working Group on International Quiet Sun Year (IQSY): 1960-1961

CIG (Comite International de Geophysique): Working Group on World Data Centers: 1960-1961

CIG (Comite International de Geophysique): Working Group on Upper Mantle Project: 1961

CIG (Comite International de Geophysique): General Correspondence: 1961

CIG (Comite International de Geophysique): General Correspondence: Apr-Dec 1960

CIG (Comite International de Geophysique): General Correspondence: Jan-Mar 1960

CIG (Comite International de Geophysique): General Correspondence: Nov-Dec 1959

CIG (Comite International de Geophysique): General Correspondence: Aug-Oct 1959

CIG (Comite International de Geophysique): General Correspondence: Jan-Jul 1959

CIG (Comite International de Geophysique): Circular Material on Second Meeting: 1960

CIG (Comite International de Geophysique): Circular Material on Third Meeting: 1961

International Union of Geodesy & Geophysics (IUGG): 1961-1962

International Union of Geodesy & Geophysics (IUGG): World Magnetic Survey: 1959-1960

CSAGI: Committee on Publications: 1957-1958

International Association of Geomagnetism & Aeronomy: Symposium: Jul 1960

US IGY Publications: 1958-1960

Post-IGY Miscellaneous Research Documents: 1956-1958
